<b>Brief Description:</b>	An important part of having a strong arts program is having strong internal support and strong sources of funding. Osborn has been able to develop unique arts programs (such as Ballet, Reader's Theatre, Visual Arts, and Dinosaur School) in partnership with community business, charities, and the Osborn Educational Foundation. These programs both draw and retain students and instructors in the district. This presentation will give an overview of the development of Osborn arts programs, their funding, partnerships, and promotion.
